

TRANSFERRING YOUR WORKOUT INFORMATION from your Garmin® device to eNewLeaf.com

With your Garmin device, you are able to upload heart rate, caloric information and more

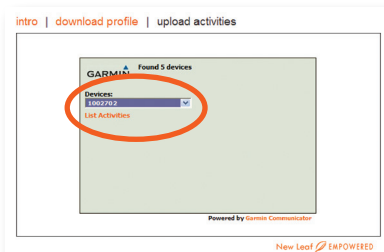

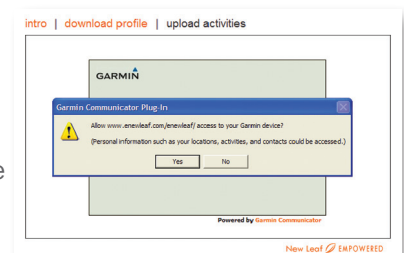

1. Install the Garmin ANT+ Agent
http://www8.garmin.com/support/download_details.jsp?id=3741
2. Install the Garmin Communicator Plugin
<http://www8.garmin.com/products/communicator/>
3. Pair your USB ANT™ stick with your computer
4. Upload your workout data through eNewLeaf.com

GARMIN PARTNER PAGE to transfer workout information

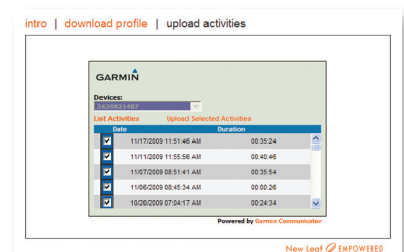

- login into eNewLeaf.com and select the **Garmin logo** at the bottom of your home page

- confirm your Garmin device is paired with your computer and select **upload activities**
- select **Yes** to allow eNewLeaf access to your Garmin device

- eNewLeaf will begin looking for connected devices
- once found, choose your device and select **List Activities**

- check the workouts to upload to your eNewLeaf calendar, and select **Upload Selected Activities**

- your workouts have successfully been uploaded
- select a workout to view your workout log
